The New Jersey Bankruptcy Lawyers Foundation was created to raise funds from the bankruptcy bar and insolvency community to assist debtors and other financially distressed individuals. NJBLF is a privately funded, statewide, nonprofit organization committed to reaching out to individuals in genuine need of emergency financial assistance. Your contributions help prevent homelessness, provide necessary utility services and other financial assistance for the truly indigent. The Foundation provides support to Rutgers pro bono programs in honor of our beloved Judges Stern and Wizmur and to the Center for Social Justice at Seton Hall Law School. The NJBLF also supports a Financial Literacy Project that sends bankruptcy lawyers into high schools throughout the state. Contributions are deductible to the extent permitted by the IRS.
